# 4 WAYS TO MAKE THIS YEAR YOUR BEST YEAR EVER!

You can make this year the best year of your life! It's all up to you! Don't look at your past (or present), your age, your race, gender, weight, education, wealth (or lack thereof), ability, etc. You can make the next 12 months the BEST EVER!

Follow along with me this month to find out what you can do to

***“Transform Your Life for Good!”***

I'm actually dealing with **FIVE** things you need to do but I separated the first one because it needs to happen BEFORE you even start the other four. And that is . . . you must first **DECIDE** how you want this year to go. You cannot simply respond to everything that comes at you throughout the year, or for that matter your life! You must be PROACTIVE, not REACTIVE! So you first have to make up your mind that THIS YEAR is going to be AWESOME! You must CHOOSE! In Deuteronomy 30:19b God said, “I set before you life and death . . . now choose life!” You DO have a choice on how your year, your job, your relationships, your wealth, your success, your story, and YOUR LIFE can turn out!

This is not a “NEW YEAR’S RESOLUTION.” This is a CHOICE, a DECISION for something better, greater, and fulfilling! So, make a DECISION and then follow these 4 principles to achieve an INCREDIBLE YEAR!

## **WEEK 1**

This week it's all about “getting started.” You can't finish what you never started in the first place, right? I'm using the analogy this month of one who runs in a race. Once you've DECIDED to get in the race, the first thing your told to do is “GET READY!” The Starter, before he shoots the gun, tells the runners to get “on their mark” or “get ready.”

MINISTRIES

In order for this year to be your best ever you must see (have a vision for winning) and, like Isaiah 46:10 says, “declare the end from the beginning.” See it and declare it! See yourself finishing strong, declaring it right now that it will be so.

Your goal for this week is to write down 3 things that would make this year the BEST EVER! Maybe you have a desire to start a business. Maybe you’d like to lose weight, go on a vacation, own a home, or pay off your debts. You can achieve it but you must decide to get in the game, then “get ready” by getting into position, into your assigned lane, and preparing to run! So, what would make this year your best year ever? Write it down! You may have more than 3 and you can certainly write more down but choose your top 3.

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_

Now, keep this before your eyes every day. You may choose to write them in a journal, add pictures, or just read them daily. But review them every day until you can recite them without looking. Pray over them. Ask God to do what you CAN’T . . . but just make sure that you can do what you CAN!

So, DECIDE right now to get in the race . . .

GET READY! Exercise your faith, get in position to run with the vision of winning, and find your lane of direction. Do this by writing your top 3 goals/dreams/desires for making this year GREAT, and reviewing them daily.

I’ll see you next week for the 2nd way you can **Make This Year Your Best Year Ever!**
