PROFILE

One thing you can count on with me . . . I'm all about the Kingdom of God! I am passionate about His Word, His Presence, and Living the Life He Intended! I have been ministering on platforms and at the altar for over 30 years. Just recently I added YouTube to my experiences of delivering God's Word, as well as developing online courses to help Believers grow in their faith! I bring revelation with practical application to transform minds which transforms lives. KRM also has outreaches which minister to orphanages, the homeless, and more.

TESTIMONIALS

Your words were very powerful. I enjoyed your presence and those encouraging words. God Bless you.

Laverne S.

I can say that I had a good time and my soul was blessed with the Word that came forth. I began to see something that I had not seen and it gave me better character in giving thanks.

Sharon D.
